Gero Nurse Prep

See More Stars ★★★★★

Nursing Centers with RNs certified in gerontological nursing by ANCC are twice as likely to receive a 5-Star rating from CMS.

Recent analyses conducted by AHCA/NCAL show that nursing facilities with RNs who have been certified in gerontological nursing by the American Nurses Credentialing Center (ANCC) are twice as likely (48% as compared to 24% nationally) to have a 5-star rating from CMS.

AHCA/NCAL Gero Nurse Prep is the first step toward achieving ANCC certification. Nurses who complete the Gero Nurse Prep course experience a 96% pass rate on the ANCC exam.

Gero Nurse Prep is affordable and comes with 30 expertly developed CEUs for RNs.

AHCA/NCAL research found that nursing centers with ANCC certified RNs also experience:

- Lower re-hospitalization rates
- Lower rates of off-label antipsychotic use
- Better CMS Quality Star ratings

Reach for the stars through ANCC RN certification.
