This webinar will review the top 10 tags in assisted living from May—August 2017. The top 3 tags will be extensively reviewed, with real-life examples presented, tips/suggestions on how the facility could have avoided the situation and how your facility can prevent a similar citation. The top 10 tags cover a variety of departments, so invite your entire management team to participate in the webinar!

Who Benefits: Administrators/Directors, Nurses, Memory Care Coordinators, Social Services, Dining Services, Corporate Staff

Speaker: Lori Davenport, Director of Regulatory and Clinical Affairs
