

CADDCT Course Qualifications:

To apply for the CADDCT seminar and become a NCCDP CADDCT Certified Alzheimer's Disease and Dementia Care Trainer, YOU **DO NOT NEED TO BE A CDP® PRIOR TO ATTENDING THIS SEMINAR.** The applicant must meet the following criteria:

1. Certified or licensed in a health care profession OR/ Master level education or PhD. Or educator for a learning institution in lieu of a Masters.
2. 4 Year college degree or graduate degree from an accredited college **or** RN, LPN, LVN or NP.
3. A minimum of 5 years' experience in a health care related field / profession OR an educator in a learning institution.
4. Minimum of 1 years' experience presenting in-services or seminars to health care related topics to professional and frontline staff in a geriatric setting OR presenting health care curriculum or related topic to students enrolled in a health care profession at a learning institution.

There are always exceptions to the rule, if you do not fit into the criteria, please call NCCDP to discuss your options.
