Dear Decision Maker:

I'm connecting with you on behalf of the Indiana Health Care Foundation (IHCF), a statewide nonprofit organization founded in 1997 that furthers knowledge, education, information, and understanding in the areas of health care, wellness, and services to the aged and chronically ill. As part of our mission we provide scholarships to professionals who dedicate their careers to caring for seniors and the disabled in a variety of long term care settings.

Indiana, like many parts of the country, is facing a critical shortage of health care professionals at a time when the state's baby boomer population is rapidly approaching an age in which they will require long term care. In an effort to curb this shortage and increase the number of well-trained health care professionals able to provide exceptional care to the growing elderly population, IHCF works each year to increase our funding for scholarships for these professionals.

**IHCF will host its annual silent auction at the JW Marriott in downtown Indianapolis on Monday, September 16, 2019.** Silent auction donations and purchases will help IHCF fund scholarships as we celebrate over 20 years of supporting workers on the front lines of health care.

- Our event is expected to draw over 400 professionals from across the state.

**You can help this cause by donating items or a package for the silent auction!** Donations of all levels are greatly appreciated and are tax deductible. Your donation can be something as simple as a gift certificate to your business or products that can stand alone or be combined to create themed auction packages. **As a silent auction donor, your company or organization information will be prominently featured on the following:**

- IHCA/INCAL Convention Mobile App
- Silent Auction email updates sent to over 5,000 participants across the state
- Silent Auction Item Sheets displayed at the event
- IHCF Website: [www.indianahealthcarefoundation.org](http://www.indianahealthcarefoundation.org)

**A donation form for silent auction items is attached, or you can submit your donation information online via our website at <https://bit.ly/2QTpTEo>.** Thank you for your consideration of our request!

Sincerely,

A handwritten signature in cursive script that reads "Emily Berger".
