2011 Medicare/Medicaid RAC Program Update for Long Term Care

1.0 CEU for HFAs

December 1, 2011
10am - 11am EST

Course Overview:
Plan to attend this informative update to learn more about the Medicare RAC (Region B) and the new Medicaid RAC (Indiana) programs and their audit of services provided in the long term care setting. Course objectives include:

1) A review of the structure and function of Medicare (Region B) and Medicaid (Indiana) RAC programs.
2) A listing and description of at least five (5) long term care claim issues scrutinized under the RAC programs.
3) A description of key components of an internal RAC monitoring program.

Presented By:
Susan Ziel of Krieg DeVault, LLP - Susan is a nurse attorney and partner with the law firm of Krieg DeVault LLP where she is a Core Member of both the Health Care and Life Sciences Practice Groups. Ms. Ziel represents and advises clients regarding the many significant legal and regulatory issues governing health care and life science organizations today, including but not limited to protected health (and other personal) information, privacy and security, fraud and abuse, licensure and credentialing, contracting and reimbursement.

Debbie Lake of BKD, LLP - Debbie is a MDS consultant. She concentrates on Medicare and case-mix audit reimbursement in the long term care industry and on completion and coordination of the RAI/MDS. Her experience includes positions as Director of Nursing, Staff Development Coordinator, Corporate Nursing Coordinator, and nurse consultant. Prior to joining BKD, Debbie was a Regional Director of Clinical Reimbursements for a large long-term care corporation. She is a RN and is credentialed by the American Association of Nurse Assessment Coordinators as a Resident Assessment Coordinator-Certified (RAC-CT) and has served as a corporate master trainer for that organization.
