Introduction to Key Program Features

Contact Information:
In order for us to better serve your facility, please provide your up-to-date facility contact information by completing the [Contact Information Form](#) – [CLICK HERE](#) to access form.

Consent Requirements:
Consent forms will be mailed directly to your facility and need to be completed by each individual planning to participate in the clinic (patient & employee), along with photocopies of insurance cards.

Clinic Scheduling:
To accommodate all interested facilities and to streamline operations for a positive experience, COVID-19 vaccine clinics will be automatically scheduled for pre-selected clinic dates and times, based on location, staffing and vaccine availability into specific geographies.
A minimum of 3 clinics will be scheduled for each facility, to accommodate both vaccine doses and potential new admissions and/or new hires.

LTC Facility Collaboration:
A partnership will be required between our pharmacy team and your facility staff, to ensure a successful clinic event.
