EMResource Login Guide

To log into EMResource go to https://emresource.juvare.com/emresource/login and enter your user name. (You should have received an email from no-reply@juvare.com with your account ID and a temporary password.)

*** Please check your junk / spam email folder for the email.***

If your temp password no longer works or you have forgotten your password, enter your email address in the email / username block and click on the forgot password link to have a new temp password sent to you.

The type of facility you are associated will dictate what your default view will be. For Hospitals with ED you will most likely have a default view of the Situational Awareness event.
EMResource Login Guide

For an LTC, it will look like this:

You are only able to update / change the status of a facility that you are associated to. This will be indicated by a set of keys next to the facility name.
