Goal to reduce transfers

Goal to **provide support**

Onsite integration with NH

Extra layer of quality review

6

## Probari's Mission

To take on the critical quality tasks that support care,  
allowing nursing staff to focus on the residents.

7

## What is the Strike Team program?

1. Funded completely by the COVID Strike Team Program
1. Designed to provide short and long term support
1. 12 months total - each facility gets 3 months or more
1. Probari uses RNs with support of our software

Note from Probari: Edit Note Save Note

Great documentation today! The nurses are doing an excellent job of reviewing the orders and making sure assessments are in place. Please find a few other items we noted during our review. Thank you!

Time Sensitive Interventions

**Duck, Donald**

[New Admission Review] Missing dose for Metoprolol. Hospital records indicate 25mg BID.

Other Recommendations

**Mouse, Mickey**

[New Admission Review] ACP discussion happened at the hospital indicating resident should be Comfort Measures. Orders in the system and facesheet need to be updated and confirmed with the family.

## Benefits of the program

- Quality review support to free up staff
- Free to all participating facilities
- Extra eyes from an RN
- Support for at least 3 months
- Access to Probari Software for data analysis

14

## Data - how is it handled?

- All specific recommendations remain with the facility
- Only aggregate data reported to IDOH (all facilities)
- Data from IP Software kept with the facility
- Facility can view dashboards and export reports

15

## Commitment from facility

- Meetings to launch, sustain and closeout program
- Daily review of specific recommendations
- Follow-up Survey
- **Give us feedback!**

16

## Selection Process

- 10-20 facilities will receive support at any given time
- Facility must be FULL EMR
- IDOH must approve
- Focus on turnover, survey or other quality issues
- Reach out to Probari for more information

**Anticipated GO LIVE - June 1, 2022**
